

EPAC Meeting Minutes of May 24, 2007

Present: Brad Benn, Linda Kieffer, Betty Hemstad, Pat Greer, Lois Ring, Diana Hedges, Dick Crockett, Rick Fesler

1. The previous minutes of the April meeting were not available.
2. The sculptures at Grandview Square Park are now in place. Identification plaques are being ordered by Brad Benn. Also, a metal plaque will be ordered for the raven sculpture at City Hall.
3. An RFQ is being mailed today to sculptors for the Hedberg sculpture project. The Hedberg input is a valuable asset. The mural project was tabled until the June EPAC meeting.
4. The Edina Art Center will be responsible for the art exhibits hung at Jerry's and the Community Center. Lois Ring volunteered to handle publicity for EPAC. She will coordinate her information with Jennifer Benerotte. Lois will also check to see whether donors' names can be used on plaques.
5. It was suggested by Dick Crockett that potential donors be contacted in person for their participation in our EPAC projects. Also recommended: the water bill information be handed out at the Edina Art Center booth at the 50th Street Art Fair in June.
6. Brad Benn and Linda Kieffer will compose an update to our EPAC background and future projects to be used as a publicity handout.
7. It was recommended that we write and invite our legislators Ron Erhardt and Geoff Michel to an informational meeting about EPAC.
8. The meeting was adjourned with the suggestion that Linda Masica be contacted about the city's involvement in EPAC which is very important to our success.

Respectfully submitted,

Pat Greer
